ABOUT THE ADAM HALL GROUP

The Adam Hall Group is a leading German manufacturing and distribution company providing event technology solutions around the globe to a diverse portfolio of business customers, including music instrument retailers and dealers, live event and rental companies, broadcast studios, AV and system integrators, and industrial flightcase manufacturers. As well as our affordable Adam Hall® branded stands, the company also owns and manufactures the premium quality Gravity® Stands.

Founded in 1975, Adam Hall Group has developed into a collection of modern, innovative event technology companies. This includes an 8,000 square metre warehouse and logistics centre at the corporate headquarters near Frankfurt am Main, Germany.

LAPTOP & MONITOR STANDS

SLT001E

LAPTOP STAND

This tabletop stand is ideal to place your laptop, CD player or lighting controller into a convenient operating position. It holds equipment with a width of 22.5 cm or greater and is easily height adjustable from 17 to 34 cm. The stand is made of steel with a powder coat finish and fully collapsible for space-saving transport.

SPECIFICATIONS

Product type	Stands and Tripods
Type	Laptop Stand
Material	Steel
Surface	Powder coated
Color	Black
Depth	250 mm
Min. width	225 mm
Max. width	225 mm
Min. height	170 mm
Max. height	225 mm
Weight	1.4 kg

SKDB039

HEIGHT-ADJUSTABLE STUDIOMONITOR STAND

This universal studio monitor stand consists of 35/40 mm black powder-coated tubes and holds speakers weighing up to 35 kg. The height is adjustable in 12 cm increments, while a T-screw and a locking pin ensure increased safety.

The standing space required measures 230 x 230 mm and also provides space for your monitor speakers. The stand's upper tube is fitted with a plastic clip for discreet cable guidance. The triangular foot can be fitted with three adjustable plastic feet or with steel spikes. Removing the stand's shelf allows the stand to be used with any speaker in combination with a 36 mm standard flange.

- Steel tray with isolating foam rests
- Height adjustable in 12 cm increments from 91.5 cm to 150 cm
- Increased safety provided by a T-screw and locking pin
- 35/40 mm tubes, black powder coated
- Includes mounting screws, Allen key, plastic feet and a steel spike set

SPECIFICATIONS

Product type	Stands and Tripods
Type	Speaker Stands
Tubing material	Steel

Tubing surface	Powder coated
Min height	915 mm
Max height	1500 mm
Joint material	Plastic
Tubing diameter	35 / 40 mm
Max. load	35 kg
Weight	4.184 kg

SPADEC02

ISOLATION PAD FOR STUDIO MONITORS 265 X 330 MM

The ah PAD series is designed to isolate studio monitors acoustically, i.e., avoid disturbing resonances with the surface on which they stand, which results in a significantly improved sound. The two-component design results in three possible combinations (horizontal placement + two different angles).

SPECIFICATIONS

Product type	Isolation pad for studio monitors
Material	High density acoustic foam
Colour	Charcoal
Setup	2-layer
Width	265 mm
Height	40 mm
Depth	330 mm
Foam density	38 kg / m
Weight	0.22 kg

SPEAKER STANDS

For easy speaker positioning Adam Hall offers height adjustable speaker stands, plus a set that includes the stands with a carry bag. For install & venue customers, check out the Adam Hall wall mount with adjustable tilt for PA speakers.

Suitable for	Acoustic guitars , bass guitar , Electric guitars
Weight	1 kg

A close-up, black and white photograph of a keyboard stand's adjustable mechanism. The image shows several parallel metal tubes of varying lengths, connected by a series of circular adjustment knobs and brackets. The lighting is dramatic, highlighting the metallic surfaces against a dark background. The tubes are arranged in a way that suggests they can be extended or retracted to adjust the height of the stand.

KEYBOARD STANDS

Providing sturdy support, our single and double X-braced or two-tier keyboard stands are easily adjustable for the perfect height. For sit-down players the Adam Hall bench features non-slip rubber ends and folds completely flat for easy transport .
